CALL FOR PARTICIPATION: A Room for You!

You are living and working in Hohenschönhausen and need more room? Then come to us. We will give you the key to a 18 m² room in public space in front of the Tanzschule Magic Dance at Wartenberger Kirchplatz. You can use this room for your own purposes for up to two weeks.

FOR WHAT PURPOSE?

Almost everything is allowed: You would like to meet friends for dinner, organize a flea market, set up a small workshop, start your own podcast, record a video, store something temporarily, or simply enjoy some peace and quiet?

HOW?

The room is free of charge. At the end of your stay, we are looking forward to an open day (or moment) that gives an insight into how you use it. We are happy to support you in this. Your stay will be documented and become part of an exhibition that will open during a festival.

WHAT?

The room is a temporary structure made of wood. It has a door, a window, a ramp, power connection and WLAN. We will furnish it together with you and organize the things you need for your room. We can provide toilets, a mobile bar and storage space by arrangement.

WHEN?

From 1 July 2023 to 27 August 2023
